v.

Tseng, Bonnie for BeauTV, Inc.

Trademark Trial and Appeal Board:

Please consider this a petition for a Motion to Extend Time to Answer the aforementioned opposer's interrogatories which were (No. 91200786) for a minimum of 60 days beyond the due date of May 29, 2012 (May 27 being Sunday before a holiday). There were two sudden sequential documented serious medical illnesses that affected the registrant's ability to respond. The Registrant denies the accusations stated in the opposer's motion to compel as the opposer was notified in previous communication regarding the extenuating circumstance of serious illness. This extension will allow the registrant (defendant) time for continuation of treatment and prescribed physical rehabilitation necessary in order to regain some ability to gather and produce materials essential to respond to opposer's requests relevant to the registration of trademark Serial No. 85155593.

The plaintiff shall be served notice of this Motion to Extend Time to Answer at the address listed above.

Regards,

Bonnie Tseng
